# LETTER FROM CHAPTER PRESIDENT

3

My name is Jemima Allagoa, and I am honored to serve as the Chapter President of the National Society of Black Engineers (NSBE) at Texas Southern University. I would like to express my sincere appreciation for taking the time to consider our Corporate Sponsorship Packet. This packet outlines impactful ways your organization can support our mission while building meaningful connections with the next generation of diverse STEM talent.

This year, our chapter is operating under the theme "Elevation – Rising to a Higher Standard." We are committed to empowering our members, expanding our presence, and exceeding every goal we set through innovation and creativity. With this focus, we are investing in high-impact programs that strengthen academic excellence, increase professional development opportunities, and uplift our surrounding community through service and outreach.

Partnering with TSU NSBE provides your organization access to a passionate and skilled group of future engineers, researchers, and industry leaders. Our sponsorship packages offer the chance to host on-campus events, engage in collaborative programming, and be recognized as a vital supporter of Black excellence in STEM.

Should you have any questions or wish to discuss partnership opportunities further, please do not hesitate to contact me directly. On behalf of our executive board and members, thank you for your time and consideration. We look forward to the opportunity to work with you in building a future where Black engineers are empowered to lead, innovate, and thrive. Together, we rise. Together, we elevate.

Warm regards,  
Jemima Allagoa

Co-Outreach Chair

# MEMBERSHIP BY CLASSIFICATION

# TSU CHAPTER DEVELOPMENT EVENTS

6

## GENERAL BODY MEETINGS - \$200

General Body Meetings (GBM) is an opportunity to foster camaraderie and growth among members & officers within our chapter.

◆ Opportunity for companies to host and present at general body meetings while interacting with the membership.

◆ Occurrence: 4x per semester starting in September

## STUDY NIGHTS/ACADEMIC BOWLS - \$150

Study Nights/ Academic Bowls are events with the purpose to increase the chapter-wide GPA as well as influence significant academic growth across all majors.

◆ Opportunity for companies to sponsor an event that enhances the scholastic capabilities of our members

◆ Occurrence: 2-3 events per semester

## PROFESSIONAL DEVELOPMENT WORKSHOPS - \$150

Professional Development Workshops provide members with valuable skills, career insights, and networking opportunities to enhance their professional growth.

◆ Opportunity for companies to host and lead workshops focused on career readiness, technical skills, and industry insights.

◆ Engaging sessions designed to prepare members for internships, job opportunities, and leadership roles.

◆ Occurrence: 4x per semester starting in September.

# TSU CHAPTER DEVELOPMENT EVENTS

6

## INDUSTRY TOURS AND SITE VISITS - \$500

Industry Tours & Site Visits provide NSBE TSU members with real-world exposure to engineering environments through guided visits to firms, construction sites, labs, and public works facilities.

- ◆ Opportunity for companies to host students, highlight their work culture, and engage directly with future engineers.
- ◆ These tours help students understand various engineering career paths while building professional connections and networking confidence.
- ◆ Funds primarily support transportation costs, making it possible for all interested students to attend, regardless of access to personal vehicles.
- ◆ Occurrence: 2–3 visits per semester starting in September.

## ORGANIZATION DRIVES - \$150

Organization Drives are high-visibility campus outreach efforts designed to promote NSBE TSU, boost membership, and raise awareness of upcoming chapter events and initiatives.

- ◆ Opportunity for companies to support recruitment-focused tabling events that enhance our chapter's presence and student engagement.
- ◆ Drives feature flyer distribution, promotional items, and branded table displays strategically set up during high-traffic periods such as Weeks of Welcome or National NSBE Week.
- ◆ Funds support food and light refreshments to attract passersby and encourage interaction, as well as NSBE merchandise advertising (shirts, buttons, stickers) to showcase our brand and identity.
- ◆ Occurrence: 1x per semester.

# OUTREACH EVENTS

## PRE-COLLEGE INITIATIVE (PCI) - \$1000

The Pre-College Initiative is an opportunity to increase the presence of minority children in the engineering pipeline and to help reach the national NSBE goal of graduating 10,000 African American engineers annually by the year 2025.

◆ By partnering with our chapter, your funds assist us in organizing events centered around increasing interest in STEM for underprivileged youth in the Houston area.

◆ Sample Events Include STEM-related activities for Grades 3-12, Mock career fairs/mentorship, High school visits/Discussion panels, Bridge competition, Company Visits

◆ Occurrence: 2-4 per semester

## TECHNICAL OUTREACH AND COMMUNITY HELP (T.O.R.C.H) - \$1000

The Technical Outreach and Community Help program is an opportunity for our organization to create a stronger link between NSBE and Houston's minority community.

◆ Funds allocated to T.O.R.C.H programming will be used to purchase supplies to serve our community. Sample Events Include: A Walk for Education, Community Service, Garden Volunteering.

◆ Days of Service (MLK, Thanksgiving, Earth Day, etc.)

◆ Occurrence: 2-4 events per semester.

# CONFERENCES

The budget for our events, programs, and meetings depend on two factors:

- Attendance/Participation
- Registration and Travel

The full budget breakdown is not available in this packet for more information please contact our treasurer at [txsutreasurer@gmail.com](mailto:txsutreasurer@gmail.com)

## ANNUAL NATIONAL CONVENTION - \$20,000

The NSBE National Convention is a time for over 15,000 members of this great organization to network with their fellow college students, technical professionals, and innovators. The 4-day conference includes a variety of enriching opportunities such as workshops, hospitality suites, meetings, and a career fair with the world's biggest corporations.

## FALL REGIONAL CONFERENCE (FRC) - \$15,000

The Fall Regional Conference is a unique, region-targeted event that is an excellent way for our members to network with our regional counterparts, experience professional development workshops, and find local job opportunities. About 12% of our annual budget goes towards funding nearly 60% of our members' travel and lodging expenses  
15+ members.

◆ Opportunity to sponsor students with travel/ accommodation costs on behalf of your company

# MEMBERS TESTIMONIALS

9

As I reflect upon my time at TSU, I am incredibly grateful for the opportunity to become a member of our NSBE chapter. This experience has been transformative, allowing me to grow personally and professionally in ways I never imagined. Through NSBE, I embraced my passion for mentorship, guiding fellow students in their academic and career journeys. I also had the privilege of serving as academic excellence chair.

NSBE's commitment to community service aligned perfectly with my values. I volunteered regularly at the Blodgett Urban Garden, contributing to help feed our local 3rd Ward community. This hands-on involvement deepened my understanding of the importance of giving back and the impact we can make as engineers in our communities.

This chapter also opened doors to professional development opportunities, including the NSBE Annual Conventions, where I networked with industry leaders and gained insights into various career and academic paths in engineering and Physics.

Most importantly, NSBE created a safe space for talented Black engineers to thrive. In this supportive environment, I found a community of friends, mentors, and mentees, building a professional network that I never thought possible.

As I move forward in my career, the lessons and connections from TSU NSBE will continue to guide me. The chapter's mission of empowering Black engineers resonates deeply with me, and I am committed to carrying this mission forward, both in my professional endeavors and in mentoring the next generation of engineers.

My NSBE experience has not only prepared me for a successful academic career but has also instilled in me a lifelong commitment to diversity, inclusion, and excellence in engineering. I am profoundly grateful for the growth, opportunities, and lasting friendships that TSU NSBE has provided, and I look forward to continuing this journey of impact and innovation in the years to come.

**Omokhuwele Umoru**

**Ethan Pinder**

My involvement with NSBE was critical to the success of my career after graduation. While building the brother on my right and sister on my left- the iron sharpened iron. I too, was refined and equipped to plan, innovate and adapt to any situation. Our bond is not one to be weakened by time or distance, but will only grow stronger with each new generation of culturally responsible Black Engineers.

# Select and Enjoy Our NSBE

## P A C K A G E S

### BRONZE PACKAGE

**\$750-\$2000**

- Chapter Resume Database.
- 1 GBM/ Info session.
- Display of Company Logo.
- Social Media post/E-mail blast.
- 1 Corporate Workshop.

### SILVER PACKAGE

**\$2500- \$50000**

- Chapter Resume Database.
- Networking Event.
- 1 GBM/ Info session
- Luncheon with members.
- Display of Company Logo.
- Social Media post/E-mail blast.
- 1 Corporate Workshop.

### DIAMOND PACKAGE

**>\$7500**

- Chapter Resume Database.
- Networking Event.
- 2 GBM/ Info session
- Luncheon with members.
- Display of Company Logo.
- Social Media post/E-mail blast.
- 2 Corporate Workshop.
- Name Branding as the official sponsor.
